

## Greeting Monday Morning with a smile

Yes, it's being done in hundreds of homes in this city.

You see, instead of going through the old, unpleasant routine, the modern housewife simply bundles up the family linen and turns it over to our driver.

That's the end of her wash-day worries.

We wash everything in water delightfully soft and in fleecy suds of flaked soap. Then we iron the flat pieces—the bed linens, the table cloths, napkins and so on, in our improved manner. Other things, like skirts, children's clothes, and shirtwaists, we starch and make ready for the housewife to iron. Many of the undergarments, because of the airy way we dry them, need no ironing.

In substance, we do all the back-breaking work of washday, leaving for you only the lighter ironing.

No, our Family Laundry Service isn't expensive—wonderfully economical, in fact, when you consider laundress' wages and cost of supplies, and the time it saves you.

Telephone us. Our driver will call for your bundle.

### Twenty-five Years of Service.

On Friday of this week, April 1st, Mr. Arthur F. Turner completes twenty-five years of service as a letter carrier at the Laconia post-office and will be entitled to wear a silver star on each sleeve of his uniform to denote twenty-five years in this service. Aside from Assistant Postmaster Charles F. Shastany, he is the oldest employee in point of service at the Laconia office.

April 1st, is also the twenty-fifth anniversary of the inauguration of the carrier service at the Laconia post office, as it was established April 1, 1896, under the late Postmaster John O'Loughlin. Mr. Turner was one of the four original letter carriers, the others being Messrs John M. Guay, Eben Merrill and George F. Plummer, the latter now of Ashland. Mr. Turner is the only one of the original four carriers who has remained in the service, and he has served under Postmasters O'Loughlin, Gilman, Trask and Dyer.

When the carrier service was first established there were four carriers and two substitutes; now there are eight regular carriers and three substitutes. Then the local office served only Laconia; now Lakeport and The Weirs are stations of the Laconia office.

The ice in Lakes Winnepesaukee and Winnepesaukee broke up on March 25th this year, and although there were a few floating fields of ice on that date, both lakes were practically open to navigation. This is approximately a full month earlier than ever before recorded, the average time for the ice to break up being the last week in April, and the earliest previous date on April 1st. The latest date on record for the ice to leave the lakes was May 10th.

The body of George A. Sabin, aged 83 years, was brought to Laconia from Concord and funeral services held at the chapel at Union cemetery Saturday afternoon.
