

The Waukegan Watershed Advisory Committee, in collaboration with the Meredith and Moultonborough Cyanobacteria Committees, proudly present:

# LAKE FRIENDLY LANDSCAPING

From grassroots fixes to shoreline best practices, this event highlights how both homeowners and volunteers can work together to reduce runoff, support healthy ecosystems, and protect our lakes.

Wednesday  
**August 13, 2025**

**6:00pm– 8:00pm**

\*Doors open at 5:45pm for networking and refreshments

Meredith Community Center  
1 Circle Drive  
Meredith, NH
