Have been a frequent visitor-
still great service although-
cut back selection on
salad bar and also on
the menu-taking out many,
if not all of the burgers
and deleting the sandwiches.

The choices were great
and prepared so well.
The overall presentation
was outstanding, but it
was the staff's attentiveness
and desire to make it
a wonderful experience that
will keep us coming back

Would like to see Salmon as
a regular item. Jen was
friendly and "appreciated"
our "humor". She was
very gracious and had
a friendly, genuine
smile - THANK!!
