

To: All Winnepesaukee Donzi Club Members
From: George D. Culotta
Subject: 14th Annual Winnepesaukee Donzi Poker Run
Date: July 26th, 2013

It is that time of year to break-out the boats and begin our boating season. I have attached the Schedule for this year 14th Annual Donzi Poker Run.
There will be "NO ENTRY FEE". ONE POKER HAND PER BOAT.

The start of the Poker Runs is at the NASWA Docks. Drivers meeting is at 10:00. We will leave the NASWA Docks at 11:00 AM.

At the completion of the Poker Run this year, we will return to the NASWA Docks as usual. Each registered boat will turn their cards in and we will document each hand. The winner will be announced at the dinner that starts at 6:00 PM that evening. You must turn your cards in immediately after the run at the NASWA.

The dinner this year will be catered and the cost per person will be \$35.00. We need to get an accurate count so I would appreciate if all members could email me at gculotta@mandmconstructionservices.com with confirmation of attendance..

Last year we used a helicopter for the run and we did individual and group boat shots. **This year we will again have the helicopter and will be taking still shots as well as a video.**

I have attached a Hotel List for all those who are coming from out of town. This is peak season at the lake and you need to make your reservations as early as possible. For those who want to just launch their boat and have boat storage, you can use West Alton Marine.

We look forward to having all of you at the Run.

Lake Winnepesaukee's 14th Annual
